NOTICE OF REGISTRATION (NOR) RECEIVED

NOR Rec: December 17, 2012 NOR Complete: January 11, 2013 By: Jennifer Leach County: Jefferson (073)

NPDES #: ALR16EHD2 Expiration Date: January 10, 2014 Disturbed Acres Registered: 56

Registrant: ADOL - AML Reclamation Project Facility/Site: Sicard Hollow Road III

This is to acknowledge receipt of the Notice of Registration (NOR) requesting National Pollutant Discharge Elimination System (NPDES) registration under ADEM Admin. Code Ch. 335-6-12 for discharge of treated stormwater from regulated construction, nonmetallic, noncoal mining, dry processing, and related activity, for the above-referenced facility which was received by ADEM on the date indicated above.

It remains the responsibility of the operator to ensure that information submitted in the NOR, including any attachments, is true, complete, and accurate in order for the registration to remain in effect. Failure to ensure that the site/activity remains in full compliance with all provisions of the rules may result in suspension, termination, and/or subsequent denial of the request for registration. Please be advised that the registrant, operator, owner, developer, home builder(s), property owners association, etc., separately or collectively, must retain registration until all regulated disturbance activity is complete. The rules, forms 498, 499, 500, & 501, registration fee schedule, the *Alabama Handbook* BMP document, example site identification sign, qualified credentialed inspection program (QCIP) description, and other helpful information can be viewed or downloaded from the ADEM WebPage at <http://www.adem.state.al.us/programs/water/constructionstormwater.cnt>

Registration does not authorize the discharge of any pollutant or wastewater to a receiving water not specifically identified in the rules or in the submitted NOR. Should a need for the registration of an additional discharge(s) or increased acreage under the rules occur, the registrant must submit a complete NOR to ADEM requesting modification of the registration prior to the commencement of additional disturbance or discharge(s). Required inspections must begin immediately following commencement of activity authorized under this registration and continue until registration is properly terminated. Results from the required inspections should be reported on ADEM Form 500. A copy of Form 500 is attached for your convenience.

Compliance with all provisions of ADEM Admin. Code Ch. 335-6-12 and this registration is required, including but not limited to, the full implementation and regular maintenance of effective Best Management Practices (BMPs), prior to and concurrent with the commencement of regulated activities, the submittal of required reports, and the preparation and implementation of a construction best management practices plan (CBMPP) and any other plans as may be required. The required, comprehensive CBMPP shall comply with ADEM Admin. Code r. 335-6-12-.21. An example CBMPP template is located on the ADEM webpage at <http://www.adem.state.al.us/programs/water/constructionstormwater.cnt> for your convenience.

This registration neither precludes nor negates an operator's responsibility or liability to apply for, obtain, or comply with other ADEM, federal, state, or local government permits, certifications, licenses, or other approvals. **Disturbance activity is not authorized by this registration for sites/projects in the Coastal Zone of Baldwin and Mobile counties until coastal consistency certification or permit coverage is obtained, if required by ADEM Admin. Code Div. 335-8.** If the disturbance activity is/will be located on Indian/historically significant lands, the registrant should contact the Alabama Historical Commission to ascertain applicable requirements.

The Department encourages you to voluntarily consider additional pollution prevention practices/alternatives as part of your implemented best management practices (BMPs) which may assist you to possibly reduce or eliminate pollutant discharges.

If you have any questions concerning your registration, please contact the Montgomery office at (334) 271-7700.
